2005-2010 Consolidated Plan for the City of El Paso

The 2005-2010 Consolidated Plan for the City of El Paso, which includes the 2005-2006 Annual Action Plan, is mandated by the Department of Housing and Urban Development (HUD) in order to receive three formula grants: (1) Community Development Block Grant, (2) Emergency Shelter Grant, and (3) HOME Investments Partnership Grant. HUD requires applicants for HUD direct funding to receive a Letter of Consistency with the City's Consolidated Plan as a requirement with their funding applications to HUD. Letters of Consistency have been requested of the Mayor on a regular basis, which have provided an opportunity for increased HUD funding for the City of El Paso.

After City Council action on April 26<sup>th</sup>, a draft copy of the 2005-2010 Consolidated Plan for the City of El Paso will be made available on the City web, at the City office of Community and Human Development, at college libraries, and emailed to over 300 agencies and other interested parties. At least four "community meetings" are planned throughout El Paso, coordinating with the Neighborhood First groups and other citizen groups to encourage citizen input. Further review and input will be garnered during a scheduled service provider agency meeting. Comments about the proposed 2005-2010 Consolidated Plan will be received during a mandatory 30-day comment period that ends on Wednesday, June 8, 2005. City Council is scheduled to adopt a Final Consolidated Plan at a public hearing during the regular City Council meeting in City Council Chambers on Tuesday, June 21, 2005.

2005-2006 Annual Action Plan

On April 12, 2005, City Council was provided with a consensus recommendation from the Community Development (CD) Steering Committee and Staff on the entire CD Budget, which includes activities in the Social Services, Planning, Housing, Public Facilities, Administration and Use of Program Income categories. For your convenience, we are attaching updated copies of these CD Budget recommendations. The chart (**Attachment A**) includes all projects that were reviewed by the Steering Committee and Staff, whether or not they were recommended for funding. Please note that each of the projects are numbered for easy identification and that a blank space has been added at the far right of each project for your individual budget recommendations.

The total CD budget amount of \$15,297,170 includes the following:

- \$9,699,358 = CD Entitlement Grant which the City will receive from the Department of Housing and Urban Development (HUD) for the 31<sup>st</sup> Program Year;
- \$4,597,812 = Funds retrieved from previous years' completed projects; and
- \$1,000,000 = Expected program income.

Additionally, City Council is asked at this time to adopt a Proposed Budget for the City's FY 2005 Emergency Shelter Grant (ESG) of \$374,384. The Consensus Budget recommended by the ESG Collaborative, the Steering Committee and CD Staff was submitted to City Council on April 12, 2005. For your convenience, a copy of the ESG Budget recommendation (**Attachment B**) with an additional column for City Council's Proposed Budget is included with the explanation.

City Council is also asked to adopt the Proposed HOME Investment Partnerships Program Budget (**Attachment C**) in the amount of \$5,273,437, which includes the FY 2005 HOME Entitlement amount of \$3,973,096 plus the FY 2005 American Dream Downpayment Initiative (ADDI) amount of \$100,341, plus the projected HOME Program Income amount of \$1,200,000.

Comments about the proposed Annual Action Plan will be received during a mandatory 30-day comment period that ends on Wednesday, June 8, 2005. City Council is scheduled to adopt a Final Annual Plan at a public hearing during the regular City Council meeting in City Council Chambers on Tuesday, June 21, 2005.

**PRIOR COUNCIL ACTION:**
